Dear Mr Morrison,

I have received your letter re the COVID vaccinations and boosters. Be advised that I have no intention of taking this poison or any variations of it, nor of back up boosters and nor will our people anywhere in the world.

Be advised that what you are doing is contrary to the Nuremburg Convention and Code and against each of the ten articles of the Code. This vaccine is an experiment and there are enough side effects evident to more than warrant its immediate cessation, recall and prosecution of its manufacturers.

The Australian people are awake now to the horror of what you are doing and I see that they are now moving to try you and the "Health Ministers" and bureaucrats and medical boards and the premiers of the states and their so-called health ministers under the code.

It appears that there is a prima facie case against you and those involved here. What you do is against God's Law and even if you have the majority of the people behind you, we will still oppose you.

If you follow these globalists and introduce martial law to do away with our democracy under this Globalist "New World Order" you will not survive the coming holocaust.

I call upon you in the name of the One True God to repent and to reverse your position and remove these vaccines and save our people.
